

Support for Pupils and Parents

CTK prioritises the wellbeing of all of our pupils - every week our form tutors, mentors and teaching assistants will complete a weekly 'check-in' with your son/daughter. This provides an opportunity to raise any questions or concerns. Pupils will also be able to access support from the pastoral team. Please encourage your son/daughter to respond to this weekly 'check-in' as we want to know how everyone is doing. We also provide weekly assemblies to pupils where their year groups can come together in collective worship.

We want this period of time to be as productive as possible for all our pupils. We are tracking the attendance of all pupils to the virtual lessons, if your son/daughter is unable to attend please contact the school on 01704565121 or email us at absence@christtheking-school.com this will be noted on the register for the day. If you can also contact the school should there be any technical issues with equipment or with internet connectivity, we will do our best to assist you.

In addition to attendance, we are also monitoring the engagement of all of our pupils. This involves them completing their set work and returning it to their teachers, typically through Google Classroom. This is a vital part of home learning so please encourage your son/daughter to engage fully with their timetabled lessons. Should your child not attend any lessons you will be informed via text message. We will also make contact if we have concerns regarding their engagement with lessons.

You can contact us at any time on info@christtheking-school.com or on 01704 565 121.
