3rd March 2021

Dear Parent/Carer

UNIFROG – THE COMPLETE DESTINATIONS PLATFORM

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after Sixth Form, this week we have introduced our Year 12 students to an online platform called Unifrog. Unifrog is an award-winning, online careers platform. All students in Years 12 and 13 now have access to this platform.

Unifrog brings into one place every undergraduate university course, apprenticeship and college course in the UK as well as other opportunities such as School Leaver Programmes, MOOCs and every college at Oxford and Cambridge. This makes it easy for students to compare and choose the best university courses, apprenticeships or further education courses for them. They can also explore exciting opportunities further afield by looking at English-taught undergraduate programmes available in Europe and the USA. Additionally, the platform helps students successfully apply for these opportunities by using Unifrog to write their personal statement, applications and CVs and guiding them through the process, allowing teachers to give live feedback.

Students access the platform by clicking a link in their welcome email where they create a password and can begin using the platform. They log in to Unifrog using their email address and password which they can do from any computer, tablet or smartphone. We would encourage you to use the platform with your child so that you can support them through the process of deciding their next step. Year 12 students have had an introduction session on Tuesday 2 March and we will continue using this platform throughout the rest of this year and Year 13.

We have also set up a parent login so that you can use Unifrog as if you were a student yourself, allowing you to truly support your child. The form code you need is: **christthekingparents** and you can sign up here: www.unifrog.org/code.

There is also a really useful parent video; if you would like to watch this, the link has been included in the cover email.

For more information go to www.unifrog.org. If you have any questions please do get in touch.

Yours faithfully

H. Cunningham
