Dear Parent/Guardian,

I am writing regarding a number of events that are coming up in the next few weeks.

Parents' Meeting

The Sixth Form Parents' Meeting is being held on Thursday 1st December between 3.30pm and 6.30pm in the Main Hall.

An appointment system will be in operation in order for us to organise this event more efficiently. Your child should make appointments for you on the attached sheet and we would be grateful if you would adhere to these. We would also be grateful if you would sign the lists provided in the entrance hall on your arrival and departure.

In addition to the individual subject appointments, Mr Lancaster and I will be requesting to see those students who, according to their progress reports, are not working to expectation. We will notify those concerned prior to the evening.

Simon Blundell, our IAG Advisor, will be in attendance along with representatives from local HE institutions to offer advice about future progression routes.

I do hope that you will be able to take this valuable opportunity to discuss with subject tutors your son's/daughter's work, attitude and progress to date.

Year 12/13 Progress Reports

These are currently being completed by subject tutors and will be sent out prior to the Parents' Meeting.

Internal Mock Examinations

Year 12 and Year 13 students will be undertaking mock examinations at the end of this term from Thursday 8th - Friday 16th December. Exam timetables and information regarding the arrangements will be published shortly and will also be available on the website. It is vitally important that students complete the necessary preparation prior to these important internal assessments and we would be grateful for your support with this.

Year 13 UCAS Applications

This is a reminder that UCAS applications should be close to completion. Universities have been receiving applications since mid-September and it is in your son's/daughter's best interests to apply as soon as possible. As there have been some issues with the UCAS website, we have extended our internal deadline. Therefore, if your son/daughter would like their application submitted to UCAS prior to the Christmas holiday it must have been 'sent to referee' by Friday 18th November at the very latest.

May I take this opportunity to thank you for your continued support.

Yours sincerely,

Mr J Alexander
Head of Sixth Form
