Dear Applicant

It is our pleasure to welcome you to Christ the King Catholic High School and Sixth Form Centre and we are grateful for your application to become our new Headteacher. We hope you will share the same sense of community spirit that we have here at Christ the King and hold the same sense of pride that we have towards the school.

One of the achievements we are most proud of is the amount of money we continually raise every single year for the many charities we work to support. Whether that's through coffee mornings or sporting events, all students and staff participate to allow us to be as successful as we are. This is a key aspect of life here at Christ the King and one we are passionate about maintaining.

Students and staff alike have a bond which is shown through the giving of time and effort to one another through the great pastoral support. This relationship is something all students are grateful for, as it means any issues can be raised and dealt with as efficiently as possible, allowing everyone's voice to be heard equally. These actions are based on the Catholic values we pride ourselves on that we learn about in day-to-day life.

Thus, we are both very proud to represent our school as the Head Boy and Head Girl of Christ the King and hope you see what we think are the most cherished aspects of our school community.

Yours faithfully
