Dear Parents/Carers

Measles, Shingles and Chicken Pox

Please may we ask for your co-operation in a vitally important matter. One of our pupils is receiving medical treatment and this puts the pupil at serious risk if exposed to Measles, Shingles and Chicken Pox.

Please let us know immediately if your child is suspected of having, or has been in contact with, any of these illnesses.

Your child is not at risk whatsoever from this situation. However, the health and wellbeing of the child who is at risk does depend on the co-operation of all our parents/carers.

Thank you for your support.

Yours faithfully

J Lancaster
