

Southport Learning Partnership

Love My Community 2019

February 2019

Dear Parents/Carers

Our school is part of the Southport Learning Partnership where we work together with other schools on joint projects.

On **15th February 2019** we will be taking part in a Southport wide event called **Love My Community** where we hope every child in the town will wear something **orange** for the day in exchange for a donation of £1 to Muscular Dystrophy UK. The idea for this event came from a pupil on the joint school council and we all thought it was fantastic!

Muscular Dystrophy UK is the charity for the 70,000 people living with muscle-wasting conditions in the UK. They bring together people affected by more than 60 progressive muscle-weakening and wasting conditions.

Muscle-wasting conditions are very rare, affecting just over one in every 1,000 people.

Muscular Dystrophy UK provide vital information, advice, resources and support for people with these conditions, their families and the professionals who work with them.

Many thanks for your help with this appeal and we hope together we can all make a huge demonstration that we **Love our Community!**

Yours sincerely
