Dear parents/carers

I hope this letter finds you all safe and well and all pupils are enjoying the provision we currently have in place to keep learning going during this lockdown.

We are constantly reviewing and evaluating how we are delivering online lessons and through feedback from teaching staff and pupils we have decided to make some changes to lesson times for the remainder of this half term. Please note this change in the school day is for the duration of lockdown only while online learning is in place. The normal school day will resume when all pupils return to school. This is also the case for all pupils who are currently attending school for face-to-face teaching.

Lesson times are now as follows:

Lesson	Time
Period 1	8.50 am – 9.40 am
Period 2	10.00 am – 10.50 am
Period 3	11.20 am – 12.10 pm
Period 4	1.00 pm – 1.50 pm
Period 5	2.10 pm – 3.00 pm

These changes will come into effect on Monday 18 January.

This new school day enables a short break in between lesson for both staff and pupils to adequately prepare for their next lesson and to factor some wellbeing breaks into the school day. There are some great wellbeing activities provided on the PE Padlet that pupils can do at home; what is important is that pupils do get a break from being on screen and staying active as much as they possibly can during these times.

I am extremely pleased with the level of engagement with our CtK live lessons (*CtK Live*); the teaching staff have been praising our pupils for how well they are doing and the standard of work that is being completed. It is important that all pupils attend each lesson as a great deal of thought has been put into the curriculum and how it is delivered in this way.

Finally, I would just like to remind you that our pastoral team and form tutors are doing a weekly 'check-in' with all pupils and this is an opportunity to ask any questions or to raise any concerns that you may have. Alternatively, please remember that you can contact us at any time on info@christtheking-school.com. Can I thank you once again for your continued support; it is very much appreciated.

Take care and stay safe.
