Dear Parents/Carers

SAFER INTERNET DAY

Tuesday 9 February will be the annual Safer Internet Day. The theme this year is: *An Internet we trust*. This explores the reliability of information that we find on the internet. Safer Internet Day 2021 celebrates the amazing range of information and opportunities online and its potential to inform, connect and inspire us whilst looking at how young people can separate fact from fiction.

Pupils both in school and at home will be looking at examples of this topic during Lesson 5. I am sure that now, more than ever, we need to ensure our children are kept safe whilst online and we continue to educate them so that they are aware of potential dangers.
