Dear Parent/Carer

I am writing to you to inform you about the Student Council elections that will take place on Wednesday 14 July.

At Christ the King we believe that being part of the Student Council is an important part of school life for our pupils. The experience is designed to build leadership qualities as well as improving their employment opportunities and, as such, we would like to encourage as many pupils as possible to apply to be part of the team.

Becoming a Student Council member is a fantastic opportunity for pupils who would like to develop their confidence, resilience and independence. The role holds a position of responsibility as an ambassador for the school, giving them and their peers a voice to share their views on aspects of school life and the community. They will have opportunities to take part in leadership challenges ranging from helping to organise fundraising events to assisting in extra-curricular clubs and helping out at school Open Evenings to designing displays.

Applications for the role of Student Council have been emailed to all pupils and hard copies can be obtained from Student Services. The deadline for applications has been extended to Monday 12 July.

We hope you will encourage your child to apply to become a member of the Student Council at Christ the King.

Thank you for your continued support.
